## QUARTERLY MEETING Y M C A

Satisfactory Reports of Work in Various Lines from Officers and Committees.

The Educational Classes Are Flourishing—Activity in Athletics—The Employment Committee Does Good Services.

The quarterly meeting at the Y. M. C. A. last night was a pronounced success. There were over one hundred present at the rooms during the evening besides two evening classes which met as usual.

Mr. W. R. Castle, vice-president, presided at the Association meeting. Messrs. W. F. Frear, Edwin A. Jones and Chas. E. Rice were elected members of the Board of Directors.

Short reports were given by the different committees showing that the educational work was prospering with fifty-three different students in the classes and the entire enrollment one hundred and seventeen.

Thirty-eight membership applications were filled out during the month, which shows a very great interest in the Association.

The general secretary, H. E. Coleman, spoke for the devotional committee and mentioned the recent change in the meetings, and that for the remainder of the year a meeting for men only would be held on Sunday afternoon at four o'clock, after which a class will be held in Bible study with a free lunch for all those who attend.

Teams in basket ball will be organized and a league formed at once. Thursday will be given up to recreation and the teams will contest for first place. The doctor will be at the Association this evening to examine all who wish to enter the gymnasium, and can also be found there every day this week between 4:30 and 5:30 o'clock. Certificates will be required of all members and may come from any reputable physician, but are included in the privileges of membership from the Association's physician.
